

Internship Application Form

The Washington Mystics internship program is designed to provide undergraduate and graduate students with an opportunity to learn about sport management from the various departments within the organization. All applicants must receive academic credit from their college or university and are expected to work between 20 - 40 hours a week during an 8 to 16 week internship period. Internships are offered during fall (July 15 deadline), winter/spring (November 15 deadline) and summer (March 1 deadline) semesters.

In order to be considered for an internship, you must submit a signed and completed Internship Application Form, along with a cover letter and your resume to the designated department(s). Please refer to the internship descriptions for each department to determine if additional application items, such as a writing sample, are required. All application items must be submitted as a complete package. Incomplete applications will not be reviewed.
